Your name, organisation (if applicable), and state or territory will be published with your submission.</p> <p>Has the Commissioner provided agreement for the submission to be treated as confidential? No</p>
SUBMISSION DETAILS	<p>I have lived and worked on and near the rivers and streams within the Murray Darling Basin (MDB).</p> <ul style="list-style-type: none"> > A lot of work has gone into the management of water within the MDB. > Many people want to see the rivers flow , wetlands, River mouth and Coorong survive. > In this regulated MDB the priority given to Competing interest will determine the environ outcome. > I have visited the cotton country, I've been to Wilcannia the Murrumbidgee, Edwards and Campaspe. > I have steered the Murray River Queen to Goolwa. <p>> I think health of the Murray River Delta is vital , Malloway and Mullet, cockles and Ganets.</p> <p>> Any and all the saving of water by irrigators from infrastructure upgrade must be returned to the rivers.</p> <p>> The "saved" water needs to be embargoed for a few years , while proper analysis is done.</p> <p>> Invite Narrenjerri , Major Sumner (Moogy) to talk about River Healing.</p> <p>> Kids Nature Club did planting at Tipperary Creek, flows to Bendigo Creek, then Gunbower .</p> <p>> Thousands of people and children go to their nearest stream In MDB to enhance the environment.</p> <p>> Landcare, Field Naturalists, Walking and Fishing groups, Students , and scouts etc...</p>

	<p>> 4 Corners has exposed some serious problems with the MDB water management.</p> <p>> A huge amount of seafood , samphire etc can be produced in healthy lower lakes Coorong .</p> <p>I am not sure the Murray Darling Basin Authority is the correct management tool.First we need to get the water back into the environment.I hope a few years down the track when good research and irrigation efficiency upgrades are done we can establish The State of Murray Darling Basin.</p>
DOCUMENTS UPLOADED?	No
