To,

ROYAL COMMISSION
MURRAY-DARLING
BASIN (MDB)
AS ADDRESSED

VIC

24/4/2018

NO INTERNET

DEAR COMMISSIONERS,
SUBMISSION

I HAVE LIVED + WORKED IN THE
MDB (AROUND)
SINCE 1974. MOVED TO MELB.
ONLY RECENTLY

II KISS PRINCIPLE. RUBISH 2
REPORTS (1) FORMAL DETAILED REPORT
(2) ONE THAT TARGETS A
STD. OF YEAR 6 OR YEAR 7 EDUCATION

AKIN TO WHAT DAILY NEWSPAPERS DO EG. "ADELAIDE ADVERTISER" "HERALD SUN" ETC. SO IT'S EASY TO READ BY MILLIONS OF PEOPLE LIVING IN MDB

[2] IT'S EASY TO STIR UP THE MASSES. EXTREMISTS (ONE WAY OR THE OTHER) CAN EASILY CONDUCT A SCARE CAMPAIGN. IT'S VERY EASY TO FRIGHTEN MILLIONS OF PEOPLE & HAVE THEM FLOCKING TO PUBLIC PROTEST MEETINGS IN MOST COUNTRY TOWNS. BEWARE. THEY MAY BURN YOUR FINAL REPORT AKIN TO HITLER'S ACTIONS IN WORLD WAR II

3 GALVANISE EVERYONE SO
THEY'RE ALL WORKING
TOGETHER. ENCOURAGE A SIMPLE
THEME AKIN TO

* DONALD TRUMP'S : " MAKE AMERICA
GREAT AGAIN "

* TOYOTA'S : " OH WHAT A
FEELING "

SOME SUGGESTIONS -

" BASK IN THE BASIN'S BEAUTY "

" MAKE THE BASIN GREAT AGAIN "

" LET US ALL REJOICE --- THE
BASIN IS BEAUTIFUL "

" BEHOLD THE BASIN'S BEAUTY "

" LIVING IN THE BASIN IS BLISS "

-4-

I CHALLENGE THE ROYAL
COMMISSION TO UNIFY THE
MASSES. WOW !

[4] "AUSTRALIA IS A LAND OF
DROUGHTS & FLOODING RAINS ..."

EVERYONE MUST RECOGNISE

THAT ALTHOUGH THE AVERAGE

SDL ~~FOR~~ ALL SURFACE WATER

WAS 10,873 GL PER YEAR

- WHAT HAPPENS WHEN ITS

4000 GL (DROUGHT) OR

30,000 GL (FLOOD) PER YEAR ?

MD~~B~~ IS A LIVING SOUL. EVERYONE

MUST PREPARE FOR THE EXTREMES

IN RAINFALL & MAKE SACRIFICES.

-5-

IT'S AKIN TO PREPARING FOR
BUSHFIRES DURING SUMMER.

THE ONLY SOLUTION TO SEVERE
DROUGHT IS PIPELINE AKIN TO
WHAT ISRAEL DOES IE. ALL
TOWNS ARE CONNECTED (MOSTLY
UNDERGROUND).

YOURS FAITHFULLY,

Howard Pascoe B. AGRIC. SCI.
(UNIV. OF MELB)
